Dear Hiring Manager,

I am a 3rd-year Computer Science student at the University of Gondar, Maraki Campus, with a strong passion for web development and modern technologies. I enjoy creating responsive and visually appealing websites using HTML and CSS and am currently expanding my skills by learning JavaScript and React. My goal is to grow as a front-end developer, gain hands-on experience through real projects, and contribute creative ideas to a professional team. I am a fast learner, a dedicated team player, and eager to take on new challenges that help me improve and make a meaningful impact in the tech world.

Warm regards,

Ruth Mesfin
